Why Choose Us

A banner image for 'Industrial Manpower Supply'. The background shows an industrial refinery or chemical plant at sunset, with tall distillation columns and pipes. In the foreground, a person's hands are visible, holding a large white circular object, possibly a lid or a component. The text 'Industrial Manpower Supply' is overlaid in white on the left side of the image.

Industrial Manpower Supply

About Us.

Rokhadiya Enterprise, based in Ankleshwar, Gujarat, is a trusted service provider with over 10 years of experience in supplying reliable and skilled manpower to various industrial sectors.

We understand that efficient operations depend on the availability of trained and dependable workforce. Our manpower supply services are designed to support industries by providing **skilled**, **semi-skilled**, and **unskilled** workers according to project and operational requirements.

Over the years, we have successfully supported industries such as chemical, pharmaceutical, glass manufacturing, and paper manufacturing, helping them maintain smooth production, maintenance, and operational activities.

Our focus is on providing disciplined, experienced, and responsible manpower, ensuring productivity, safety, and client satisfaction.

Mission & Vision.

MISSION

- To provide reliable and skilled manpower solutions to industries.
- To ensure customer satisfaction through dependable workforce support.
- To maintain professional discipline, safety awareness, and work efficiency.
- To build long-term partnerships with industrial clients through quality service.

VISION

- To become a trusted manpower service provider for industries across Gujarat.
- To develop a strong network of trained and reliable workforce.
- To continuously improve service quality, worker training, and safety standards.
- To support industrial growth by providing efficient and dependable manpower.

Our Philosophy.

At Rokhadiya Enterprise, we believe that people are the foundation of every successful industrial operation. Our philosophy is to provide manpower that is reliable, responsible, and committed to quality work.

We focus on understanding the specific requirements of each client and supplying manpower that fits their operational needs. Through proper coordination, discipline, and professionalism, we ensure that industries receive the workforce support they need for efficient functioning.

Our goal is to become a long-term manpower partner for industries we serve.

Our Services

We provide industrial manpower solutions across multiple sectors to support operations, maintenance, and project work.

Skilled Manpower

- Trained workers with technical experience and industry knowledge
- Capable of handling specialized industrial tasks and equipment
- Maintain productivity, safety, and quality standards

Available Workers Include:

- Industrial Painters
- Machine Operator
- Maintenance Technicians

Used For: Plant operations, equipment handling, maintenance work, and specialized industrial tasks.

Semi-Skilled Manpower

- Workers with basic technical knowledge and operational experience
- Assist skilled workers in performing industrial tasks
- Suitable for routine plant operations and technical support

Available Workers Include:

- Technical Helpers
- Machine Assistants
- Maintenance Helpers
- Production Assistants

Used For: Production lines, plant maintenance support, workshop operations, and equipment handling assistance.

Unskilled Manpower

- Reliable workforce for general industrial labour requirements
- Supports daily operational and logistical activities
- Flexible manpower for short-term and long-term assignments

Available Workers Include:

- General Labour
- Loading & Unloading Staff
- Cleaning & Housekeeping Workers
- Plant Support Workers

Used For: Material handling, plant support work, housekeeping, and general operational assistance.

Industries We Serve

We supply manpower to a wide range of industries including:

- Chemical Industries – Plant operations and maintenance support
- Pharmaceutical Industries – Production and facility support
- Paper Industries – Machine operation assistance and labour support
- Glass Industries – Handling, processing, and production support
- Manufacturing Units – Industrial operations and project manpower

Safety & Compliance

At Rokhadiya Enterprise, safety, regulatory compliance, and responsible work practices are integral to all our operations. We strictly follow Gujarat Government regulations and industrial safety standards to ensure safe working conditions for workers, clients, and the surrounding environment.

Regulatory Compliance

We operate in accordance with applicable government rules and industrial regulations, including:

- Factories Act, 1948 and related safety guidelines
- Gujarat Labour Laws and Industrial Regulations
- Contract Labour (Regulation & Abolition) Act, 1970
- Employee Provident Fund (EPF) Compliance
- Employee State Insurance (ESIC) Compliance
- Other applicable local statutory and industrial safety requirements

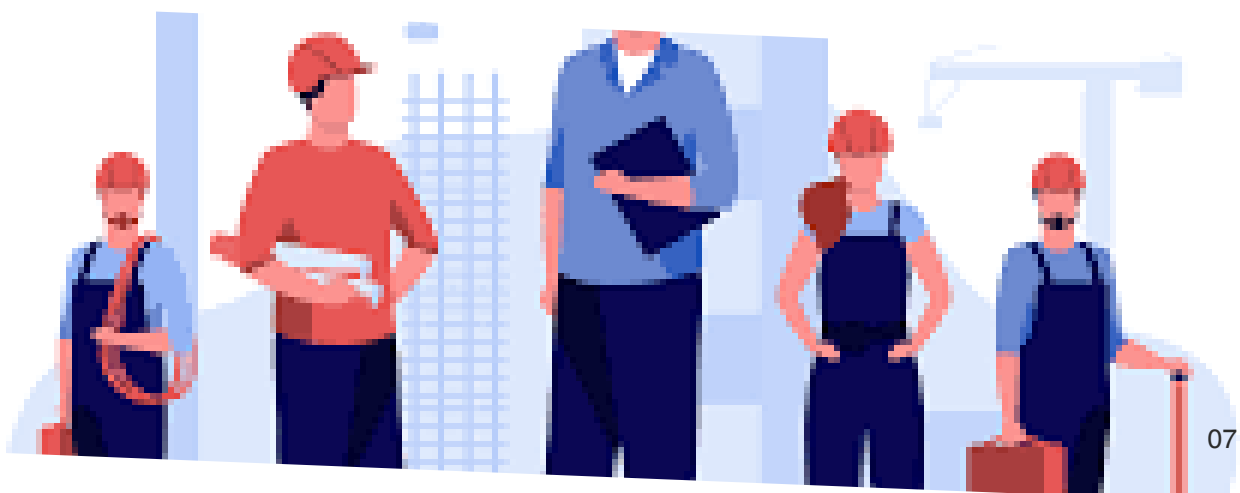

All necessary documentation and statutory compliances are maintained as per government guidelines.

Workplace Safety Practices

We are committed to maintaining a safe and disciplined work environment across all projects.

Our safety practices include:

- Safety training and awareness for workers
- Safe handling of tools, equipment, and materials
- Proper supervision at work sites
- Regular safety checks and hazard prevention measures

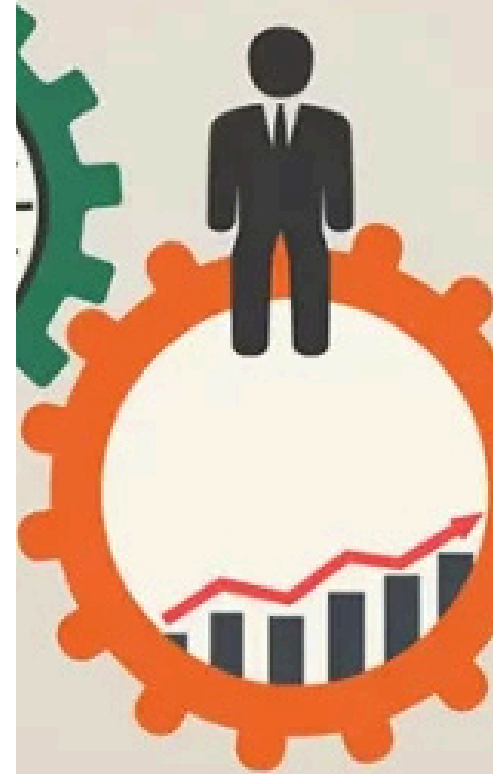

Why Choose Us

- 10+ years of industrial service experience
- Reliable and disciplined workforce
- Flexible manpower solutions as per project requirements
- Quick deployment of workers for urgent needs
- Focus on safety, efficiency, and productivity
